Resolution Honoring Harriet Carr

by Linda Banks Davis

On a hot humid day in September of 1962, a group of excited yet somewhat frightened children gathered in the gymnasium of our new school. We came from area elementary schools where we were protected by our teachers and safe in our one classroom. Suddenly, we found ourselves in an environment totally foreign to us. We found ourselves changing classrooms and teachers every hour, trying to remember where our lockers were located and after finding them, trying even harder to remember our lock combinations. In the coming months and years, other students joined us and we became the future 1968 graduating class from the proud Kashmere Gardens Junior/Senior High School, holding the distinction of being the last class to graduate under the flag of the mighty maroon and white KG Rams. We went to Kashmere as children. We left as young adults.

Today we have come to share in the celebration of Harriet's life as men and women forever influenced by the ups and downs, the joys and sorrows as well as the failures and successes of life. Harriet willingly and proudly served as chairperson for our 30th year class reunion and she was actively involved in preparations for our 40th year reunion. Harriet was one of us and we are truly saddened by her death. However, we are grateful to our most high God for her life. Harriet's name has now been added to an ever growing list of classmates that we have said final goodbyes to, but she will live forever in the history of our class.

Whereas Harriet has answered the call from her Master, a call that we too will receive one day, it becomes our privilege to share with her family in the celebration of her life. Therefore, be it resolved that every member of the 1968 graduating class of Kashmere Gardens Junior/Senior High School stand with me in honor of Harriet's life and in respect to her family. Be it further resolved that we who are yet alive be mindful that we too have a charge to keep and a God to glorify. Be it also resolved that we remember this family in prayer, thoughts and actions in the coming days and weeks as they learn to live from day to day with mornings and nights that start and end without her. Finally, be it resolved that we trust the word of God for Romans 8:28 says, “God causes all things to work together for good for them who love God and are called according to His purpose.”

It would be foolish of me to pretend that I know how He is going to do it, or even when He is going to do it. For His thoughts and His ways are not like mine. However, I do know without any doubt that His promises are faithful and true. His word says that Jesus is coming soon and His reward for Harriet will be with Him.

These resolutions are respectfully offered by the 1968 class of Kashmere Gardens Junior/Senior High School.

Lyrics: Claudia W. Hunter  •  Music: Conrod O. Johnson

Kashmere High...Kashmere High,
We honor your great name,
With our voices we shout to the sky.

Thoughtfully....We will be
To our dear school of fame,
Always loyal....As the years... go by.

Our Maroon and our White
Stand for right as we fight
Ne’er forgetting the standards
We’ve claimed;

There’s no school...e’er before
Whose colors mean the same,

Kashmere High
You’re the one we adore.

BREAST CANCER AWARENESS

Breast cancer is the most common cancer diagnoses among African American women, and among women nationwide.

The best defense against breast cancer starts with YOU!

EARLY DETECTION IS THE KEY

Recommended Steps for Early Detection
Monthly breast self-exam (BSE) starting at age 20
Clinical breast examination by a trained medical professional every 2-3 years beginning at age 20, and annually after age 30
Mammography screening every one to two years for women ages 35-40 (if your mother or sister has had breast cancer, you may need to have mammograms earlier and more frequently)
Annual mammography screening for women age 40

TAKE CARE OF YOUR OWN HEALTH!

In Loving Memories of Mrs. Ruby Anderson-Harrison and any classmate diagnosed with BREAST CANCER

Congratulations!!!!

Kashmere High School was much more to all of us than just buildings. Kashmere educated, nurtured and prepared each of us for adulthood. Walking the halls of Kashmere, some of us more than others, and those common memories of teachers, classrooms and friends are what binds us to each other and to our Kashmere High.
